

FARMINGTON CIVIC THEATER

Out Front Sponsorship

Associate your company's image with the vibrancy of Downtown Farmington and the good feelings created through live music Out Front of the theater. Out Front is the venue. Whether called street performing or busking, everyone loves it.

Beginning in 2016, talented performers have played Out Front to the delight of movie-goers, passersby and music fans.

During the warmer-weather months of May-September, musicians and singers embrace the sidewalk stage. The number of performances varies depending on weather and availability of performers. Typically, expect 40-45 Out Front days.

Your company's logo will be included, as presenting sponsor, on the Out Front sign, which is displayed during performances. You'll be mentioned at least once on Facebook and Instagram for each scheduled Out Front day.

\$1050 per season

Not available to political groups, political causes, politicians, etc.
